MEN'S MINISTRY

BY HERB CAUGHRON | MEN'S MINISTRY DIRECTOR

It won't be too long 'til Spring! That's my favorite time of year! When God brings His creations back to life. The days are getting longer, the colors begin to return from the grey and brown, and we begin to see flowers blooming and trees budding! It seems to put new life back into His children also!

I would like for you to help me Pray for God's direction for the Annual Mission Trip in June. We always try to go where He leads, and do what we are asked to do. We have been Blessed for over thirty years by these trips. We have accomplished a lot of work every year. We have also made many new friends over the years! I always enjoy our nightly devotions! Because of generous donations, there is no cost to the volunteers that go to serve.

Also, I would like to ask you to Pray for Camp Smoky. God has Blessed our association in a great way with this camp ministry. Pray asking God how He wants you to be a part of the work He is doing year round at the Camp! There are almost a hundred people a year Saved at the Camp! Why would you not want to be a part of that!!

Thank You for All you do for Him!

What an exciting theme for our VBS this year!

On **April 11th at 6 pm** we will have our VBS Clinic at Seymour First Baptist Church, located at 11621 Chapman Hwy, Seymour.

We have a lot of new teachers this year to help you learn about VBS and you will be able to share your ideas to help others also! Make plans now to attend and find out what God has in store for our 2022 VBS! Can't wait to see you at Seymour First Baptist!

Masterminds: A Pastor's Connection

Masterminds exists to encourage & equip pastors who lead the local church. It is designed to be a community of care & collaboration for pastors of every experience level. Not only will this be a place for you to get to know each other, but you will also be challenged to grow & develop as an innovative leader - regardless of the size church you lead.

As we gather around the tables we'll be discussing relevant topics, providing soul care, & sharpening our accountability. I also plan to have practical resources for you to walk away with at each connection you attend. I know that you are invested in your church families, but I hope you will make an investment in yourself through *Masterminds*.

Dates & Locations are TBD

We'll be meeting in small groups 3 times a year

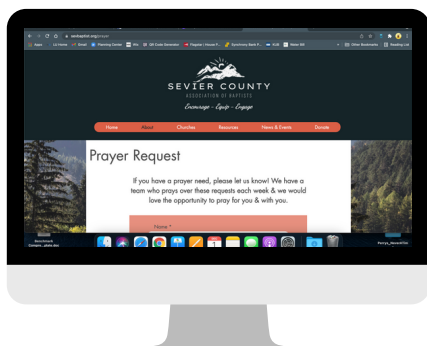

Does your Church need a website?

In today's society, the physical front door of the church building is no longer the "front door" of the church. Most people are getting their first impression by doing an online search. With that in mind, I have a desire to help the local church by using my talents to update or create a website for them in order to establish a proactive, welcoming presence in its community. Visit shilohseymour.org & sevbaptist.org for examples of sites I've done.

If this is something you're interested in, please feel free to reach out anytime!

-Justin Johnson

I use Wix for the website & Google for the domain hosting. Pricing can range anywhere from **\$19 a month** (or \$180 a year) to **\$24 a month** (or \$228 a year) depending on how much storage/speed you will need. I will not be charging any fees for this service, I simply want to meet a need.
